The image features a dark blue background with a fine, repeating dot pattern. In the four corners, there are stylized, light blue circuit-like lines. These lines consist of straight segments connected by right-angle turns, ending in small circles, resembling a printed circuit board (PCB) layout. The lines are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

QUESTIONS?

The background is a dark blue with a fine, repeating dot pattern. In the four corners, there are stylized white circuit traces. These traces consist of straight lines of varying lengths and angles, ending in small white circles, resembling a printed circuit board layout.

THANK YOU!

See you this weekend!
