Race Day Registration:

Saturday, October 28th, from 7-10 am at the race site (near launch / recovery docks)

NOTE: There will be no registration session Friday evening.

RULES:

General Rules- United States Rowing Association Rules of Racing shall apply, unless otherwise noted.

Bow Numbers- Bow and shirt numbers will be provided at registration to crews who have properly submitted their entry materials (entry forms, signed waivers and fees). Crews without both bow and shirt numbers will not be permitted to launch. Bow numbers must be returned to the dock area after racing. Shirt numbers are to be worn on the back of the bow person of the boat.

Race Times and Boat Order- It is the Regatta's intention to start crews for each event together and in-order. However, with the large numbers of crews entering some events, we realize this is not always possible. The starting marshals may send a partial group of crews down the course at the event starting time, in order to keep the Regatta on schedule.

Crews that are late to the start line for their event will be started as soon as possible, and in as large a group as possible. However, those crews may have to wait for other events, which are already started, to finish being sent off before they are allowed to race.

All crews should allow a **minimum** of 40 minutes to launch and row to the start line, in order to make their scheduled event. Teams should allow enough time to adjust for weather conditions.

No Coaches on the Water- No coach is to be on the course in a launch during any race. Any coaches on the water will have their boat or boats disqualified.

No Observing of Races from Fishinger Bridge- Due to complaints at prior regattas, the police will not allow standing or observing of the race from Fishinger Road Bridge.

COACHES' AND COXSWAINS' MEETING:

The coaches' and coxswains' meeting will be held at the registration area near the launch / recovery docks on Saturday morning, October 28th at **7:30a.m.** A race schedule, a map of the course and general rules will be included in competitor registration packages.

FRIDAY PRACTICE:

Competitors wishing to practice Friday may do so if they follow these instructions:

- Follow general water traffic pattern of traveling north along the east shore and traveling south along the west shore
- Practice within 100 feet from shores
- Cross river only at Fishinger Road Bridge (bridge south of dock which crosses over the registration tent and the river), at "The Wall" (large stone bridge on east shore which crosses a tributary) and just south of Hayden Run bridge (first bridge north of dock which crosses the river)
- Do **not** travel south of the Fishinger Road Bridge or north of Hayden Run Bridge.
- No rowing after sundown (6:40 pm) on October 27th or before sunrise (7:50 am) on October 28th.

PARKING:

As this event grows each year, GCRA has had to assure the police and park representatives that the park will not be damaged by the event. Competitors are required to comply with the parking plan described below:

On Saturday morning, all competitors and spectators will be required to park in the campground area south of Griggs Dam (approx. 2 miles south of Fishinger Road). Signs will be posted to assist you. **There is no parking fee this year.** Please note that if you park in any undesignated areas (i.e. in the park or in the merchant lots), you may be ticketed and towed. Parking on the grass will result in a ticket or being towed and will jeopardize future regattas. There will be a shuttle service provided to the parking lot. There will also be a group of parking volunteers to direct traffic. Please follow their instructions. Trailers with boats will be allowed into the park to unload on Friday, October 27th. They will also be allowed into the park to unload boats on Saturday morning; however, access to the park will be closed after 8:00am! All trailers and tow vehicles will be directed to park in the parking area just south of the Fishinger Road Bridge. The road into the park is a one-way street and vehicles will be required to exit the park north of the dock area, turn right (south) on Riverside Drive and once again enter into the park at the Nottingham entrance. All other team vehicles (including team buses), spectators, and participants will be required to park in the campground area.
