

SUBSTITUTIONS
HEART OF TEXAS REGATTA
AUSTIN ROWING CLUB
AUSTIN, TX

An entry can replace all of its rowers and its coxswain until 5:00pm on Friday. After 5:00pm on Friday the following substitution rule goes into effect: A crew, other than a single scull may replace up to one half of its rowers as well as the coxswain. After the first race in an event has taken place, the composition of the entry must stay the same - including the coxswain for subsequent races. No substitutions are allowed except as approved by the Chief Referee as in the case of injury or illness.

A completed copy of this form must be submitted to the registration desk at least **one hour** prior to the event. For each substitution, the form requires the full names of both the original participant and the replacement, the replacements team, and, for rowers in the Masters events, the replacements year of birth.

If substitutions in a Masters entry reduce the crew's average age to less than the minimum for its event, it is scratched from that event. If an event for which the entry is now eligible has an empty lane, the entry will be allowed to enter that event. Such changes will be handled in the order in which the substitution forms are received. If substitutions in a Masters entry cause its crew's average age to increase, it remains in its original event.

Event No. _____ **Event Name:** _____ **Bow Number** _____
Crew Name/Stroke Name: _____ **Team Name:** _____
