

2022 Dad Vail Regatta

Refund Policy

Race Entries scratched before the Standard Registration closing date are eligible for a full refund. Race Entries scratched after the Standard Registration closing date **are not** eligible for a refund. Events canceled due to weather are not eligible for a refund.

As always, DVROC (Dad Vail Regatta Organizing Committee) will continue to make every prudent effort to stage all races as closely as possible to the published schedule, provided that prevailing conditions, even if challenging, still allow for safety and fairness for all.

In order to stage the Regatta, DVROC undertakes financial obligations in advance of the event, financial obligations which must be honored. Accordingly, if the Regatta must be cancelled, whether in whole or in part, there will be no refunds and no credits issued toward future Regattas. The Refund Policy applies to all parties participating in the Regatta in any, as well as every capacity.
