

Welcome to the 11th Annual Lift Bridge Regatta

September 27, 2015

Hosted by **Fairport Crew Club**

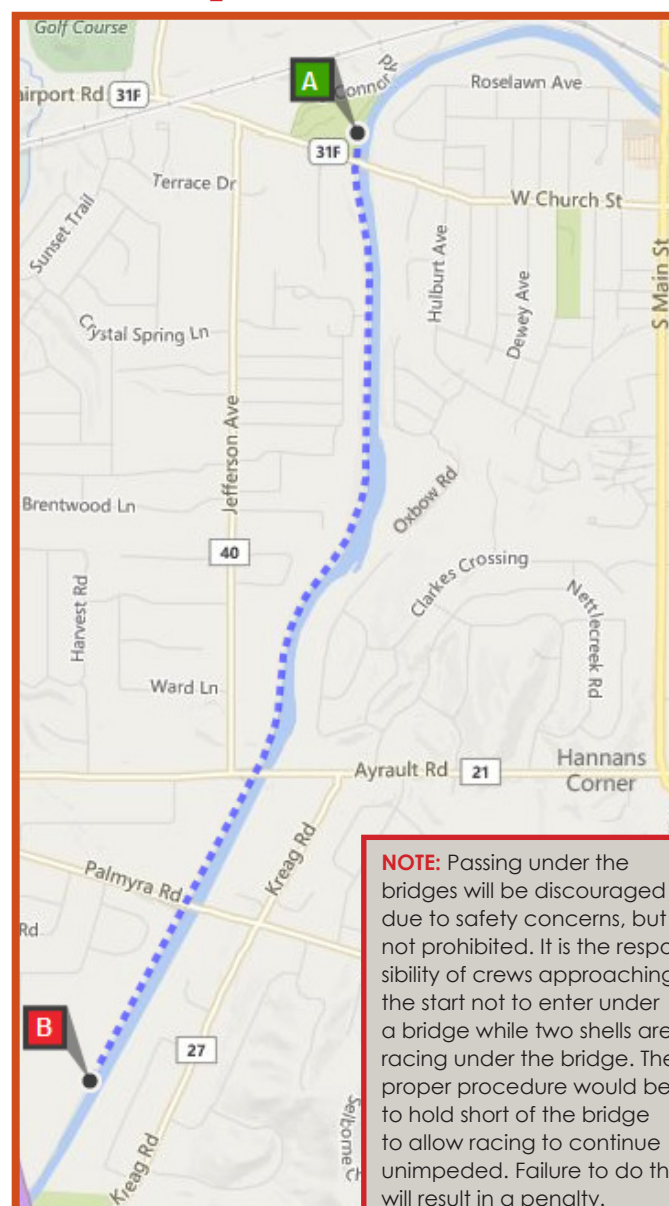

Fairport Crew Club takes great pleasure in welcoming rowers and spectators to the 11th annual Lift Bridge Regatta.

Please note: The course for this year's Lift Bridge Regatta has changed. All racers will start the 3,862 meter course from the same location at the flood gates near Kreag Road Park and finish at Perinton Park, just past the boathouse. Races will also begin earlier to avoid delays from canal traffic. Please consult the schedule of events and course map.

Course Map

NOTE: Passing under the bridges will be discouraged due to safety concerns, but not prohibited. It is the responsibility of crews approaching the start not to enter under a bridge while two shells are racing under the bridge. The proper procedure would be to hold short of the bridge to allow racing to continue unimpeded. Failure to do this will result in a penalty.

About Fairport Crew

Fairport Crew Club, a not-for-profit 501(c)(3) membership organization, provides an opportunity for high school aged youth of the surrounding area to learn the sport of rowing. The club fosters a competitive rowing environment and encourages the development of good sportsmanship and teamwork. Fairport Crew also promotes the sport of rowing through adult learn-to-row programs, programs for area rowers and coxswains, and through community service activities throughout the year.

Founded in 1999, Fairport Crew Club now includes over 100 members. The club competes in regattas all over the northeast, including the Head of the Charles, the Head of the Fish, and the New York State Scholastic Rowing Association Championships. We also compete in local regattas including the Pittsford Regatta, Syracuse Chargers Invitational and the Westside Rowing Club Invitational.

Fairport Crew relies on tuition, fundraising events, donations and grants, and is not affiliated with any high school program. FCC's community supported boathouse is located at 1399 Fairport Road at the south end of Perinton Park. For more information on Fairport Crew Club, visit us online at:
