Event #44 Light Weight Women's Double because there were no entries for these events.*

Weather Condition

On Friday, the high temperature was 25 degrees Celsius (77 degrees Fahrenheit). During the morning heats, the sky was partly cloudy with the wind going westward at around 13 to 14 KM/H (8 to 9 MPH). Starting at around noon, the sky became overcast and the wind picked up to around 21 KM/H (13 MPH) and there were whitecaps on the lake. Regatta officials suspended racing for 2 hours until condition improved to resume racing. All afternoon Open and Junior events were raced at 1000 meter.

On Saturday, the high temperature was 22 degrees Celsius (72 degrees Fahrenheit). For the morning heats, it was sunny and the water was calm with light eastward wind, 10 to 11 KM/H (6 to 7 MPH). Toward noon and into the early afternoon, the sky became overcast and it rained several times. With thunder rumbling from the south at around 3:00 PM, regatta officials canceled the remaining events of the regatta.

For the following events that were canceled and had morning heats, all boats that advanced to final were ranked based on their finishing time in the morning heats.
