

PARKING INSTRUCTIONS for Harney Park Regattas

Plant High Rowing Association (PHRA) is extremely pleased that you have decided to compete in the upcoming scrimmage at Hillsborough County's Harney Park. Welcome to Tampa!

(A) Spectator Gate - Spectator Parking

All Spectator parking will be at the **Spectator Gate** located at the South West Florida Water Management District Headquarters (SWFWMD), just north of Harney Park on Highway 301. Exact address: 7601 US Highway 301 N., Tampa, FL 33637. Donations for parking will be accepted.

Spectator parking is within walking distance and there are sidewalks from the SWFWMD parking lot to the regatta site.

Handicapped Parking vehicles should use the **Trailer Gate at the entrance to Harney Park.

(B) Trailer Gate – Team Buses, Boat / Hospitality Trailers, Handicapped Parking

The only vehicles allowed through this gate are team buses, boat / hospitality trailers, team cars with authorized parking passes, and **handicapped parking. Drop-offs may also use this gate but must exit immediately after dropping off.

Upon arrival, tow drivers should enter through the **Trailer Gate**, into the designated trailer section of the regatta site and check with regatta registration to receive team vehicle passes for reentry. Do not start to unload until you confirm your crew's assigned location. The organizing committee will assign trailer/ hospitality parking and spaces.

PHRA will maintain an "Emergency Vehicle Access Road" which goes from the racecourse start line, past the finish line and to the docks. (Red line on map below) Please do not block.

Hospitality trailers will be allowed to stay near the tent area, however hospitality tow vehicles will need to unload and leave the tent area and park at the **Hospitality Car Area**. Please display your passes for parking at **Hospitality Car Area**.

***Items that need to be at a team tent area **MUST** arrive on a team trailer or car that has an authorized parking pass and entrance into the **Trailer Gate**.

Please see Harney Park Regatta Site Plan Below.

Handicapped Parking vehicles should access the **Trailer Gate at the entrance to Harney Park.
