How to Submit your results for Water Events

*If you do not have an NK GPS device, please submit results by email to eventdirector@regattacentral.com

Step One

Log in to www.RegattaCentral.com

Step Two

Select 'my entries' under the regatta you are reporting

Step Three

Select 'submit results' for each entry you have registered for

Step Four

A token will be generated to upload your time from your device.

*Note, results will not display immediately. The director will review and publish the results after the registration deadline.
