2017 San Diego Fall Classic Regatta Information

Introduction

Thank you for being a part of this year's San Diego Fall Classic. A few years ago there were many changes to the race, including a new course, launching and landing area, and we have moved it from Ski Beach to Crown Point. Trailer parking, boat storage, and warm up pattern also changed. We have made these changes to incorporate the finish line of the San Diego Crew Classic. This is a great chance for your team to have its first look and get comfortable with Mission Bay and what is to come with the Crew Classic in April 2018.

(Note: The traffic pattern on Race Day will be posted at the Crown Point Gazebo and will be in every race packet.

Results and Awards

Results will be posted at the Crown Point Gazebo and online.

First place medals will be awarded to the winning crews in each event as long as there are 2 entries.

Second place medals will be awarded if there are more than 3 entries.

Third place medals will be awarded if there are more than 4 entries.

Boat Storage

Boats being stored at Crown Point Park can be stored on the grassy area north of the finish line, just like the Crew Classic.

Launching/Returning

Crews launching from Crown Point should plan on launching 30+ minutes before their race. Launching will take place on the beach, there is no dock. Make sure to put the boat in deep enough water so you do not lose your skag. Launching will take place at the north end of the shore while landing will take place on the southern part of the shore, just past the finish line. There may be hoses to wash your boats, please use the water sparingly. Security will be provided by SDRC on Saturday night before the race only.

Bow Balls and Competitor Numbers

No shell may be launched without a bow ball. At registration, each race entry will be given competitor number bib and safety pins to be attached to back of coxswain and bow seat, and a bow number card for the shell. **Please keep your bow number, enjoy!**

Trailers parking in the dirt lot next to the northern most parking lot and is free for team trailers. The parking lot closest to the trailer will be for Busses and team vehicles only. Competitor and Spectator Parking

The northern parking lots, by the trailers are for buses, vans, and other athlete vehicles.
