

Compliance Status and Instructions

If you would like to view the compliance status of the athletes who are entered in current line-ups, click the 'compliance status & instructions' link under the desired regatta in your **Regatta Calendar & Entries** box.

You will also find helpful information about the compliance requirements for both **Participants & Organizations** for the desired regatta. The default view on the **Compliance Status & Instructions** page is **By Boat** (red arrow). If you have added more than one affiliation to your account, select the desired one in the **Club/Team** drop down (green arrow).

To view the individual status for each athlete in the boat, click the Stroke's name (circled in Blue above) to access the **Boat Details** pop-up.

The screenshot shows a 'Boat Details' pop-up window for the 'Womens Open 1x' event. The boat ID is 1 and the bow is 0. It was submitted by Traci Stocker. A table lists the athlete Jane Rower from Test RC, aged 29, with a compliance status of 'No Membership 2016 Waiver Missing'. Below the pop-up, a table shows the event details for 'Womens Open 1x' and 'Womens Jr 2x', both with 1 non-compliant athlete.
