

2018 SRAM Championship Regatta

Registration for the 2017 SRAM Championship Regatta opens on May 7, 2017. Athletes participating in the regatta are required to complete the 2017 waiver through the [SRAM Athlete Portal](#) located on Waiver pager of the SRAM Regatta Home page on Regatta Central

Additional instructions are as follows.

It is highly recommended that coaches and parents verify the spelling of the last name and birthdate for each athlete to avoid complications during the waiver submission process.

- Go to <https://waivers.regattacentral.com/sram2018>
- **Enter the Name of the Club/School** under which the athlete is competing
- Select the appropriate club/school from the matches found

- Enter the **Last Name** and **Birthdate** of the Athlete and click **Next**
- Select the matching record(s) and click **Next**

If there are duplicates found,
select ALL records

If no matches display, either of the following could be true:

- The athlete does not have an existing record on the school's team roster.
- The Last Name and/or Birthdate registered when the entry was made is incorrect.

NOTE: You will need to contact a coach or an administrator to have the athlete added to the roster or to verify the athlete's information

- If prompted, parents/guardians will need to verify their relationship to the athlete by clicking **Proceed**
- Complete the Athlete Information page and click **Next**
- Select your email preferences and click **Next**
- Check the box to indicate you agree to the terms and click **Next**
- You should be redirected to a **Finished!** page and receive a confirmation email
