Downtown Q-Line map and route

The Q-Line is a free trolley service operating during peak evening hours to connect you to restaurants, bars, hotels, museums and entertainment venues throughout Downtown Wichita.

There are designated Q-Line stops along the route, or you can catch the Q-Line at any intersection along the route. It's easy to flag it down. Simply locate the trolley as it approaches, then wave. The trolley will pick you up quickly at the nearest intersection.

Once on board, you can stop the Q-Line at any time by pulling the cord located near the windows on both sides of the trolley.
